

Interschool sport

Another washed-out week on the interschool sporting fields.

Rugby League

Steve Renouf Cup

After a long trip to the coast on the bus the boys were greeted by their opponents who were on average 6 inches taller and 15kg heavier than the HAWKS. What made it even more interesting was the heavens had opened and it was bucketing down.

In what was a true show of determination, grit and dedication to the jerseys on their backs the Hawks inflicted Keebra Parks first ever defeated for this age group. After completing last year undefeated the Keebra park boys went into Tuesdays game 78-0 last start winners.

The Hawks jump to a 16-0 lead at half time and were feeling the pinch after an extremely physical first half. To their credit they continued their form after half time scoring two converted tries to extend the lead to 28-0 with 11 mins to go. With only 15 players the boys were out on their feet and conceded 3 late tries in the closing stages of the game.

The only souring note of the night was a Shoulder injury suffered by Dom Salis late in the game we wish Dom a speedy reovery and look forward to seeing him back on the paddock as soon as possible. Congratulations boys the coaching staff could not have asked for more from any player who played.

The boys now play Mountain Creek at Brothers on Tuesday June 9th at 4:00pm. It would be great to see a big crowd get out and support the boys as they endeavour to stretch their winning streak to 3 wins.

Arrive Alive

Unfortunately the boys suffered their first loss of the year to their cross down rivals St Mary's 28-4. The boys never got out of first gear struggling to control the footy. We need to get back on the training paddock to ensure we are back to our best this week against St Joeys.

AFL

On the 28th of April, 2009, a team of year 8 Harristown SHS girls competed at the Toowoomba Region Jonathan Brown Cup AFL competition. Although the girls only had 1 school to compete against, they won all three games against Centenary Heights SHS. After winning this competition the girls then travelled to Brisbane on the 6th of May for the next round. The team consisting of Ashley Twidale, Tempany Black, Tenille Skinner, Thalia Fowler, Paige Thompson, Tannika Thompson, Tasha Grundon, Kanisha Rowe, Taylee Luchterhand, Jaime Andison & Sascha Turnbull were very excited to play in Brisbane. The Hawks won three out of four games and finished the day in 2nd place. It was a great day, very well played by all. I was very impressed with all of the girls putting in 100%, especially Tempany Black who left the day with a trip to the hospital and a cracked eye socket!

Cross Country

The Darling Downs Cross Country trials were held Tuesday June 2nd at Kearny Springs. The Hawks competed strongly across all age groups and can be very proud of their efforts. 9 Hawks were selected to represent Darling Downs, results were as follows.
