

Athletics Carnival

On a glorious August day the Dherwain domination continued at the recent Harristown State High School Athletics Carnival. While the margin was the closest it has been over the past 5 years, Dherwain claimed their 5th consecutive Athletics crown from a fast finishing Bonda house.

Cheerleading

Our two cheerleading teams travelled to the Suncorp Piazza at Southbank on the 23rd June to compete in the QLD All-Schools Cheerleading Championships. Our Senior team placed 8th in their division. The junior team not only won the "Best Newcomer" award but also won their division. This was a fantastic effort considering this was the first ever competition for the majority of the team. Our teams will be competing in AusCheer's Cheerleading Showdown at Southport School on the 6th September. We are also hoping to host a "World Cup Cheerleading" Competition on the 18th October, involving clubs and schools from both the Toowoomba and Brisbane regions.

Netball

Our senior netball team recently competed in the Vicki Wilson Cup. Against some tough opposition, the girls played well and demonstrated excellent team work to finish second in their pool. This means that they will now progress to the regional finals for the first time in the school's history. Well done girls and good luck in the finals!
